## DEDICATION

It is with pleasure that the Revonah staff dedicates the 1980 Revonah to Mrs. Bette Dayton.

Mrs. Dayton taught English in the Hanover School system for five years. During this time she also served as Revonah staff advisor. We are recognizing Mrs. Dayton not only for her hard work, but also for the excellent quality with which she did it.

For her understanding nature and genuine concern for her students and for her diligent work, the dedication of the 1980 Revonah is our way of congratulating a worthy person on a job well-done.

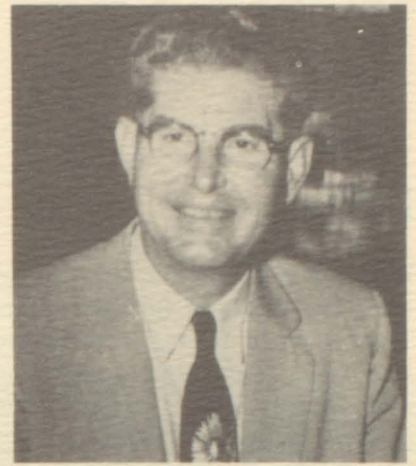

# HALF A CENTURY AT H.H.S. THE ORIGINATORS

CLASS OF 1930 - Standing: Howard Kilpatrick, LeRoy Robinson, Edith Virtue, Wilfred Armstrong, Kenneth Jeffrey. Seated: Clara Virtue, Leona Cliff, Hazel Harkness, Edith Chapman.

 On the thirteenth of August in nineteen hundred and twenty-nine, the corner stone of a new building, the Hanover School, was laid. When the construction was finished, it was only a beginning. On that Christmas vacation when the faculty moved books and materials into this new educational institution, who would have guessed that the young people who entered this school and who graduated from it would set the paths of several generations to come. The education that took place was dedicated to the building of minds and bodies that could change the world to come.

## 1950's

Wealth and prosperity came in the 1950's. These were the years when the cafeteria (picture second from bottom) was added. This hot lunch service is still provided today. The HiLites (below) also began at this time, and this monthly school paper has been read school wide for decades. The ladies in the picture to the right show us the "latest" 1950's fashions. You may recognize some of these gals: (from left to right) Carol Vandervate Rayhorn, Edith Ann Pechang Dwinnells, Sue Sullivan Wilbricht, and Joanne Mason Wand.

Cheerleaders: Jeannine Petitgoue, Carolyn Haug, Norma Jean Kaufman, Carolyn McKinley.

## Principal's Message

## Superintendent's

### Message

My sincere congratulations to the Hanover student body for a fine school year. Because of my illness, I wasn't able to spend the whole year with you physically, but I have followed your activities and achievements and have been proud of all of you. Since this is my last year as your superintendent, I will call this my farewell letter to all of you.

I am now finishing my 30th year in the field of education. The happiest days of my educational career have been here in Hanover. I have found the community, especially the youth, friendly and respectful and kind. I could not find any other community to compare to Hanover, and this includes my home town. Each of you is lucky to have the opportunity to live, play, and be educated here.

Hanover School shall always be my school, and the students shall always be my students. The Class of 1980 will be my last graduating class. You will always be special to me and I wish each of you the very best in life. I shall never forget any of you.

GOODBYE!

Keith R. Barkdoll, Supt.

Congratulations to the Class of 1980. You have reached a milestone in your life. High school is over and the opportunities of the 80's are there for your asking. You are entering a new decade, but your basic needs, beliefs, and traditions must be carried on to give you an impetus to succeed in the future. You are our future and we trust and know you will do well. Each generation had its problems and solved them. Progress is made by attacking new problems and working toward the solution. The key to the future is still the worth and dignity of the individual. God Bless you in the years ahead. Remember to be good to your parents and to be proud of yourself, family, community, and nation. God speed ahead.

## Editor's Message

Putting together the REVONAH is a year long, demanding responsibility. As a member of the staff, one must be willing to give up many spare moments in order to assure the yearbook's success. However, it doesn't pass by without any reward. The feeling of relief you get every time you meet a deadline and the faces of everyone when the yearbooks finally arrive surpasses all else.

I'd like to thank my staff for all their efforts, and especially Miss Farral for all the long nights she stayed with me to pull us through.

Sincerely,

*Colleen Hopkins*

# COACHES' COMMENTS

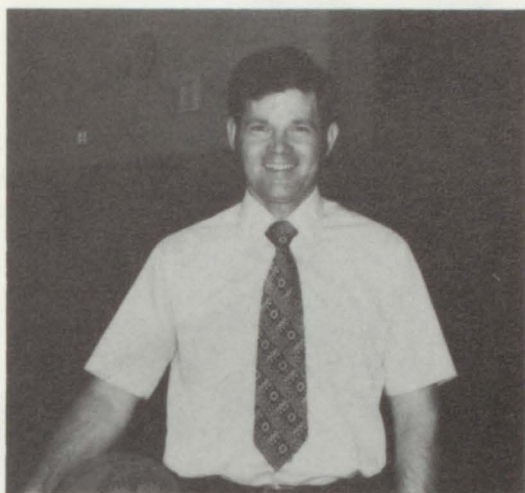

This year has been a very trying but rewarding one. We've had some exciting moments, even in our losses. Of course, nothing can beat a victory especially when you have two grand slam home runs. Kevin Murphy and Bob Nolan were the first to hit ones in our victory at Elizabeth.

Our congratulations to our All-Conference players: Brian Callahan, Todd Bonar, and Kevin Murphy. Honorable mention went to Tim Callahan and Jim Nobis.

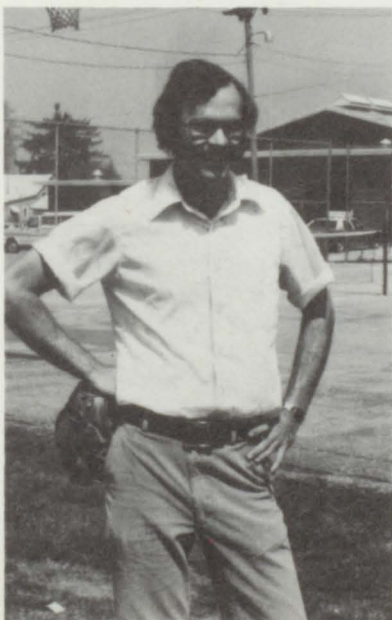

We have many players giving up part of their summer, and I want to thank them for their dedication. I know the future looks bright for us. We have a lot of young players who are learning. If we want to succeed, we must make mistakes in order to learn. Once those mistakes are put aside, LOOKOUT!

Coach Kumor

In my first year as a head basketball coach, I discovered that in building a successful program there is more work than you can imagine. As they say, "Experience is the best educator". Believe me, I got my share of experience this year. Certainly next season we will be better organized and therefore more successful. I trust everyone is looking forward to an exciting decade of basketball as we enter the 1980's!

Coach Becker

The 1980 Hanover girls' basketball team went through a rebuilding year. Their two victories, however, came in tournament play. The first was an impressive 64-44 victory over Savanna for third place in the Valentine Tournament. The second came in the Regional Tournament with a 52-46 triple overtime victory over a Scales Mound team which had defeated them twice during the regular season. With three returning starters, the Hanover girls' basketball team should be much improved next year.

Congratulations to the We Teach Class  
The Children of 1980

Grown up--it's not an easy road  
If you try to do it alone  
Someone's got lead the children  
And show them how to make it on their own.  
The value of an education  
Just can't be denied  
It's the key to life  
It's the light of day  
It's the builder of strong self pride...  
There's a time in everyone's life  
When they need someone who cares  
Someone to guide them  
And to help them prepare for the world out there.  
We'll never let them down  
'Cause there's nowhere else to turn  
They're looking to us to teach them  
Everything they need to know.

We teach the children  
Together we show them how.  
We teach the children,  
They're depending on us now.  
We teach the children  
We show them that we care  
You're got to face life with an education  
It's a tough world out there.
